A **NEW** course to meet needs identified by you, our clients and partners. This course is designed to improve the knowledge of first-line supervisors about safety practices and, critically, their impact on the safety participation of their teams.

We're excited to introduce this course to our catalog, and we're confident that supervisors will find it valuable.

CORE TOPICS

-  OSHA Regulations
-  Job Safety Analysis
-  Hazard Recognition
-  Incident Reporting and Investigations
-  Inspections
-  Audits
-  Training

COST

Members- \$249
Non-members- \$299

REGISTRATION

Maegan DeJean
