**Westlake Chemical Permit Receiver Training:**

- 13WSTLKS- Westlake South Site Specific
- 13WLCSPR- Westlake Chemical Permit Receiver

Dear Contractors of Westlake Chemical,  
The Safety Council of Southwest Louisiana (SCSWLA) serves Westlake Chemical and other facilities in our region, helping to ensure a trained and safe workforce. On behalf of Westlake Chemical, we are providing you with the following information to prepare your workforce to enter the Westlake facility.

Starting this coming December, we are partnering with Westlake Chemical to help get your employees scheduled for both their site specific and Permit Receiver Orientation (Supervisors only).

- If you are a contractor that has already used SCSWLA's LINK system to register employee(s) for training, simply log into LINK as normal and register your employees for the site-specific.
- If you have **a supervisor needing permit receiver orientation**, you will register your student for the training through LINK but they will report to the designated location on the specific time and date.
- If you or your company do not have access to the online LINK registration portal the Sulphur facility allows walk-ins and accepts both cash and card at the counter.

The current cost is as follows:

- 13WSTLKS-
  - a. Member: \$40
  - b. Non-Member: \$50
- 13WLCSPR
  - a. If you have taken the course with Westlake a \$15 Fee must be paid before card is updated by Invoice or Credit Card payment in LINK or in council.
    - i. The Safety Council will begin providing the instructor and instructing the course and will be available through LINK at the price \$45 for a Member and \$55 for Non-Member.

The site specific is offered both in council or it is available through our online Virtual Proctored LINK Training. It will be the same course code (13WSTLKS) but you must select the **SCSWLA LINK Training** location instead of the local Sulphur location.

If you have NOT used SCSWLA's LINK system, need membership updated, or have any additional questions, you can call SCSWLA, and our Customer Service Representatives will assist you with initial sign up or give you farther instructions at:

**(337) 436-3354, option 1**

Or visit us at our Sulphur Location Located at:

**3621 East Napoleon St.**

**Sulphur, LA**

**Thank You!**

**Please see attached LINK login Step by Step.**
