

FALL PROTECTION COMPETENT PERSON

Course Code: [19FALLCP]

OCTOBER 22 - 23

Learn to identify fall hazards, assess protection systems, inspect equipment, and oversee fall protection practices. This two-day course combines classroom instruction with hands-on scenarios and practical testing to prepare participants to meet OSHA and ANSI Competent Person and Competent Inspector requirements.

OMNISCREENING

**TRUSTED SCREENING FOR
EVERY PHASE OF EMPLOYMENT**

OCTOBER IS NATIONAL SUBSTANCE ABUSE PREVENTION MONTH

October is National Substance Abuse Prevention Month, reinforcing the importance of effective drug and alcohol screening. **OmniScreening**, the HASC Third-Party Administrator (TPA), makes screening simple so employers can hire with confidence and keep teams site-ready. From pre-employment to ongoing compliance, OmniScreening delivers reliable results and dedicated customer support.
